How life insurance protects families and covers critical costs.*

Life insurance

If something happens to you, life insurance can help provide your family with financial security.

Life insurance helps protect you family's finances by providing a death benefit if you pass away.** This helps ensure that they'll be financially supported, and can cover important things from bills to funeral costs. With life policies, you can get cost-effective life insurance protection for a set period of time.

Who is it for?

Everyone's life insurance needs are different, depending on their family situation. That's why group life insurance through an employer can be a more cost-effective option than individual life insurance.

What does it cover?

Life insurance protects your loved ones by providing a benefit (which is usually tax-exempt) if you pass away.

Why should I consider it?

Life insurance is about more than just covering expenses. Depending on your circumstances, it could take your family years to recover from the loss of your income.

With a life insurance benefit, your family will have extra money to cover mortgage and rent payments, legal or medical fees, childcare, tuition, and any outstanding debts.

You will receive these benefits if you meet the conditions listed in the policy. Guardian, its subsidiaries, agents, and employees do not provide tax, legal, or accounting advice. Consult your tax, legal, or accounting professional regarding your individual situation. *Guardian will never ask you to provide sensitive personal information, including SSN/DOB, nor login via QR. **As long as premiums are paid.

Preparing and planning

Jorge's never considered purchasing life insurance, but after being offered it through work, he decides it's a good way to protect his family.

Jorge has a mortgage. His wife helps take care of her mother and only works part-time. With his daughter about to start college, he knows that many expenses would go unmet if his family lost him.

Jorge purchases enough life insurance coverage to help cover the mortgage, tuition, and family living costs if something happens to him.
